2. **Register** or **Log In**, using your email address.

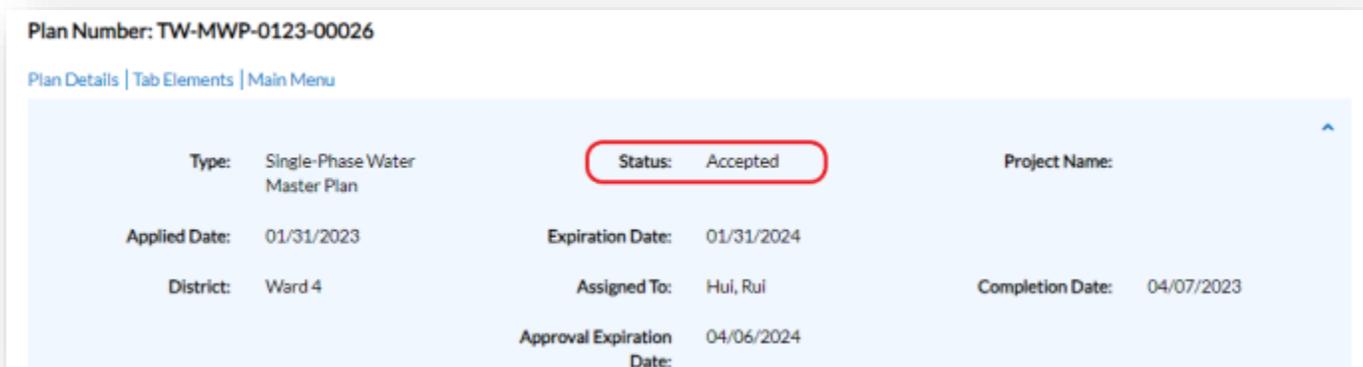

View a Plan

1. Click the **"My Work"** tab or use the search bar to locate the plan.
2. Click the **blue plan number hyperlink** to go to the details screen.

3. The plan status is located on the application details screen.

Plan Statuses

<u>Status</u>	<u>Description</u>
Accepted	Status used for Tucson Water Design Plan.
Active	Initial process complete, but case remains open for cases that require annual maintenance and/or invoicing (e.g., stormwater basins, SWF annual fee).
Approved	Final status for plans that have a set expiration date after the plan process is complete.
Assurances	Subdivision/Plat or DP in the processing releasing assurance holds prior to completing the case.
Authorized	The case (application) has been authorized by Mayor & Council.
Canceled	Application is valid but has been closed out by staff due to long period of inaction, or other issue.
Complete	Final status for plans that have passed all steps in a workflow, and a plan expiration date is not applicable.
Denied	Status used if the application has been denied.
Effectuated	Final Status for Rezoning plans. Conditions of approval have been completed and certified by the PDSO Director; new zoning is effective.
Expired	Status used if the cases' approval time period has expired (i.e. the Standard Building Plan approval may only be good for 3 years). When the approval expire date equals the current date.
Fees Due	Plan fees due.
Fees Paid	Fees are paid, waiting for staff action.
In Appeal Period	Status used following the initial approval. After an application has been decided on by staff, planning commission or council, the public and applicant have a period of time to appeal the decision.
In Review	Status applied to a case when the review is in progress.

Inactive	Final status for cases that require annual maintenance or invoicing (e.g., stormwater basins, SWF annual fee).
Needs Resubmittal	Review is complete, but did not pass. Additional steps from applicant are required to proceed with the process.
On Hold	Status used if the case is on hold for any reason.
Ordinanced	Adoption of the Rezoning Ordinance has been approved by Mayor & Council.
Renewal/ Extension Fees Due	Fees Due after renewal/extension request is made.
Revision Fees Due	Fees Due before a revision is issued.
Submitted	Submitted from back office, but a reviewer has not begun the review yet.
Submitted - Online	Default for online submissions that haven't had their review started yet.
